

Parcel # _____

CHARTER TOWNSHIP of KALAMAZOO

SIDEWALK REPLACEMENT APPLICATION

1. The Charter Township of Kalamazoo is again offering a program to assist residential property owners with the repair or replacement of sidewalk squares that are in disrepair.
2. Kalamazoo Township will subsidize 50% of the cost of such repair or replacement up to \$500.00. \$500 is the maximum subsidy per parcel.
3. The property owner is responsible for repairing/replacing the sidewalk by contract or by doing it themselves.
4. Applications will be accepted on a first come, first serve basis until the Township's allocated amount of money has been utilized.
5. Applications must include photos of and the square footage of the area to be repaired / replaced, plus an estimate of the cost.
6. No subsidy will be paid if the application is not approved before the work starts.
7. The Township will determine if the sidewalk meets the criteria to be considered in disrepair.
8. To be paid, all claims must include photos of the completed work and the paid contractor's bill or paid receipts for the materials used.
9. Sidewalk squares will be considered in disrepair if any of the following criteria exist:
 - # The sidewalk must have potholes of one or more inches in depth,
 - # A height difference of two or more inches in the adjoining sections of sidewalks,
 - # Insufficient slope to adequately drain the water away from the surface.

Please indicate number of sidewalk sections to be replace: _____
