**Sidewalk Snow Removal** - Owners are responsible for keeping sidewalks adjacent to their lot in good repair, clear of any obstructions and free of trash or broken glass. Also, sidewalks within 500 feet of a public or private school or Metro bus stop must be cleared of snow within 36 hours of an accumulation of ice or 2 inches of snow. (See Ordinance 152.004 Regulations, Sec. IV)

The Township is looking for individuals or organizations that would be willing to be on call to help the elderly or disabled in their neighborhood keep their sidewalks clear. If you are interested in volunteering, please contact Ordinance Officer Gallagher at 381-8080 ex. 309. We thank everyone who helped last winter.

**Keep Fire Hydrants Visible** - Please keep the fire hydrant near your home free from snow and vegetation (a 3 foot circle around hydrant and a path to the street). This will help keep you and your neighbors safer, every minute that a fire burns it doubles in size. The help you give the firefighters could save your life.

**Waste Programs** - Remember, your Bulk Trash, Leaf and Brush and Recycling should be out on the curb the night before the day of the week designated for pick up in your area of the township. More information is available on the Township's web site or you may call or email [molly@ktpw.org](mailto:molly@ktpw.org) if you have questions.
